AT THE THEATER.

The Murray Comedy Company opened the season at the Opera-house last night to an audience that filled every possible space from pit to dome, presenting for the opening play "Nature's Nobleman," a comedy-drama in which Miss Dorothy Smith was seen to great advantage and won the hearts of all by her beauty and clever acting. Edwin Carruthers as the Westerner is one of the best leading men appearing here in many days, while Julia York and Verne Phelps furnished the comedy in a highly pleasing manner. The specialties were all of the highest order, and it is without question the best popular-priced attraction that has appeared here in many seasons. Tonight they present a comedy-drama in three acts entitled "A Country Courtship."

DIED FROM INJURIES

James Wilson Did Not Survive Sunday Night's Accident

James Wilson, the unfortunate young man who was run over Sunday night by a C. and O. passenger train and lost a leg while asleep on the track at the West approach of the Wall street viaduct, never rallied from the shock and died last evening between 4 and 5 o'clock at the home of his brother, John Wilson, in Short street.

The deceased was just in the prime of vigorous young manhood, and bears a good name among his acquaintances as being honest and industrious.

He was unmarried.

What to many appeared as singular and strange was the fact that while the limb was entirely severed there was not the least sign of a break in the leg of his pants.

No one is to blame for his untimely end except himself.

The railroad track is not a bed for either drunk or sober men to lie down on and fall asleep; neither is it a passway for pedestrians to use.

THE dispatches report a Negro "legally" Hanged in Georgia—the illegal way being so common that its breach is entitled to special mention.

TOM JOHNSON, Cleveland's distinguished Socialistic Democrat, thinks that BRYAN's declaration for Government ownership of the railroads will compel Mr. ROOSEVELT to run again. Not necessary, Tom; ANDY CRAIG could beat BILLY on that platform.

It looks very much as if Uncle Sam would have to step over and settle that semi-annual revolution in Cuba—and then annex the orderly Cubans to this country and the disorderly ones to a seven-eighth-inch string.

Down in Birmingham, Ala., a splendid young man was in a responsible position in a Bank. The Bucket-Shop microbe bit him. He defaulted for a big sum. And now the authorities have driven every Bucket-Shop out of the city. That's one good riddance anyway. Now for the abolition of Stock Exchanges, as well as the lesser forms of gambling.

Your Campbell county Democrat is not one of those dollar-a-day dudes. Because the state political managers wanted officers to serve for \$1 at the Primary, instead of the former price of \$4 a day, there were no takers for the positions, and it was finally decided that unless the coin was forthcoming there would be no Primary, at least in Campbell county.

Mr. and Mrs. Pearl Blythe of West Second street are in Cincinnati attending the bedside of Mrs. Margaret Spencer, mother of Mrs. Blythe, who is seriously ill and not expected to live.

The breaking of a great irrigation reservoir on the Santa Catalina del Alamo Plantation, near Durango, Mex., killed one man, washed away four houses and caused damage to crops and property which is estimated at \$500,000.

By the time the "filler" gets here, the brick streets will be "filled" with mud.

Tomorrow the graduation exercises of the Naval Academy will be held at Annapolis.

Russian Cossacks, acting under orders, spent all of Saturday and Sunday in murdering and maiming defenseless Jews—men, women and children—in the streets of Siedce, Poland. As a result, 200 were killed, 1,000 wounded and 3,000 made prisoners.

With \$14,000,000,000 worth of railway property transferred from corporate ownership to Government and state ownership, and thus exempted from state and local taxation, who will "chip in" to fill the gap left in the receipts from taxes by the removal of such an enormous sum from the tax list? Wonder if Mr. BRYAN has any idea how much heavier his "fad" will make the burden of the individual taxpayer, from the poor widow to the frugal millionaire?

THERE are in Mason county and the city of Maysville two railways, the Chesapeake and Ohio and the Louisville and Nashville. Under present conditions these roads "help out" by paying county and city taxes as follows—

To Mason County—
Chesapeake and Ohio.....\$2,958 88
Louisville and Nashville.....1,393 72

Total to county.....\$4,352 10

To the City of Maysville—
Chesapeake and Ohio.....\$1,154 17
Louisville and Nashville.....176 88

Total to city.....\$1,330 55

Total to county and city.....\$5,682 65

If Mr. BRYAN's folly prevails, and these railways become Government or state property, they will be exempt from all taxation. Who, then, will make up the deficiency that will necessarily follow in the County and in the City Treasurer's receipts? Why, the poor individual taxpayer, of course! How do you like Mr. BRYAN's latest "fad," gentlemen?

HE HOPED SO.

A New York Central train was rapidly approaching New York with Mark Twain as one of the passengers, when a lady sitting in a seat across the aisle leaned forward and asked:

"Excuse me, sir, but will you kindly tell me if this train stops at the Grand Central Depot?"

"Madam," replied the humorist, "I hope so; I hope to heaven it does, for if it doesn't there will be a devil of a wreck."

"I will gladly give you all the information concerning my case. I used the Cuticura Soap and Ointment for a diseased scalp, dandruff, and constant falling of hair. Finally I had to cut my hair to save my scalp. Just at that time I read about the Cuticura Remedies. Once every week I shampooed my hair with the Cuticura Soap, and I used the Ointment twice a week. In two months' time my hair was long enough to do up in French twist. That is now five years ago, and I have a lovely head of hair. The length is six inches below my waist line, my scalp is in very good condition, and no more dandruff or itching of the scalp. I used other remedies that were recommended to me as good, but with no results. If you wish to publish any of what I have written you, you are welcome to do so. I am, respectfully, Mrs. W. F. THE STATE FAIR

Program For the Big Louisville
Event Next Week

Every day during the week of the Kentucky State Fair, which begins next Monday, September 17th, and continues throughout the week at Louisville, will be a special day. A committee, of which General John B. Castleman is Chairman, has named the following special days:

Monday, September 17th—Public School Day.
Tuesday, September 18th—Fraternal Day.
Wednesday, September 19th—Louisville Day.
Thursday, September 20th—Kentucky and Military Day.
Friday, September 21st—Farmers' Institutes and Commercial Bodies Day.
Saturday, September 22nd—Everybody's Day.

Special program will be prepared for each day, and sub-committees have been appointed to have charge of the arrangements.

The Public School children of Louisville will be given a holiday on Monday, and one of the features will be the singing of "My Old Kentucky Home" and other patriotic airs by a chorus of school girls all dressed in white, and each carrying an American flag. The Committee in charge has as ex-officio members James H. Fuqua, Superintendent of Public Instruction and the County Superintendent of Schools in every county of the state.

On Tuesday, which is Fraternal Day, headquarters will be opened for every fraternal organization in the state. Reception committees will be in charge and all visiting Brothers will be welcomed and shown over the Fairgrounds.

Kentucky Day, which is Thursday, is expected to be the biggest day of the Fair. Governor J. C. W. Beckham has been named as Chairman of the Committee in charge, who will have associated with him every state official and County Judge of each county in the state. Special excursions will be run by the railroads, and the attendance is expected to break all records for Kentucky State Fairs.

The officers of all farmers' institutes and commercial bodies throughout the Commonwealth are ex-officio members of the Committee in charge of arrangements for Friday, September 21st.

For Saturday, the closing date of the Fair, everybody is expected to have a good time in his own way; to maintain order and to have respect for everybody else.

Music during the Fair will be furnished by Signor Alexander Liberati's famous brass band of fifty pieces.

The carnival shows and other attractions will be located along the Wilderness Road, which will be a quarter of a mile in length, and on each side of it there will be many interesting and amusing entertainments. The Management of the Fair guarantees that every show will be refined; and every Kentuckian is invited to blaze for himself a path of pleasure over the new Wilderness Road.

FUNERAL SERVICES

Veteran George N. Crawford Laid to Rest Last Afternoon

The funeral services over the remains of G. N. Crawford in the Third Street Methodist Church yesterday afternoon were largely attended by friends of the deceased and members of the two Orders to which he belonged.

The casket was draped in the American flag and covered with beautiful floral offerings, tributes of esteem by the two Orders and friends.

The services were of a sweetly solemn character.

The reading of the Scripture and prayer by Rev. Preston A. Cave and the discourse by Rev. G. W. Banton were consoling to the bereaved family and awakened the living to a full realization and sense of life and after death.

The remains were laid to rest in our beautiful City of the Dead with full honors of the two Orders of which he was a member.

Requiescat in pace.

BIG BLUEGRASS FAIR

Some of the Many Attractions To Be Seen at Lexington

The gates of the Big Bluegrass Fair will be thrown open at Lexington next Monday, September 17th, and for six days and six nights the people of Lexington and Central Kentucky will be given the opportunity to attend what promises to be the biggest and the best fair ever held in the South. Although the Bluegrass Fair Association was not organized until July, the management has been in the hands of such competent men that as great an exhibition is assured as could ordinarily be gotten together after six months of hard work. Over \$25,000 will be given away in premiums for the various classifications to be shown at the fair. This is the largest amount ever offered by any fair association in Kentucky. It has been so divided as to cover fully the various diverse interests with which the people of Central Kentucky are most particularly concerned. Handsome offerings are made for all classes of live stock and for all agricultural and horticultural products. In addition the largest amount ever offered by a fair association in the South for poultry will be given and the premiums for women's work, table delicacies and other features of Floral Hall are unsurpassed in the annals of Kentucky fair history.

One of the great features of the fair will be the display of thoroughbred horses which will take place on Saturday, September 22d. Over \$5,000 is offered for this class of horses alone. Premiums from the owners of the large stock farms throughout Central Kentucky insure the largest and most valuable display of thoroughbred horses ever held in the world. It is well within the bounds of expectation to predict that more than two million dollars worth of thoroughbred horses will be exhibited that day. The cattle show will be the best ever seen at a Kentucky fair. The large amounts offered by the Bluegrass Fair Association have been liberally supplemented by offerings from the Shorthorn and Hereford Breeders Associations. Dairy cattle have in no sense been neglected and there are especially liberal provisions for Jerseys.

The tobacco exhibit will be a feature of especial interest. By the arrangements of classifications it is possible for one exhibitor to take over \$200 in first prizes alone.

Kopp's famous Military Band of Cincinnati has been secured to furnish the music. This is an organization which has made a remarkable

reputation the last two seasons. Succeeding Liberatti and other famous bands at the Cincinnati Zoo, it is unanimously considered best of them all. Musical features of real interest and novelty will be provided. There will be high class free attractions in front of the grand stand both morning and afternoon of each day, and there will be some fifteen or twenty shows, each possessing some unusual feature and each getting away from the old backneyed shows of the midway type. There will be a first class racing program each afternoon, with both harness and running races.

Reduced rates have been secured on all railroads from every point in Kentucky. It will thus be possible to reach the Bluegrass Fair without difficulty and with little expense from all sections of the state. Every prospect indicates the most successful, the largest and the best fair ever held in the South.

NEW YORK'S POPULATION

More Jews Than in Palestine; More Irish Than in Ireland

Courier-Journal.

The statement that New York is the third American city is calculated to startle. But it is meant that the number of Americans born of American parents is only 737,477, which is less than the total population of Chicago or Philadelphia. Of course, native-born citizens are Americans, but if born of foreign parents they represent a variety of nationalities. The same is true in a measure of those born here of native parents, but not to the same extent, so the distinction is kept up in the census reports.

New York has 672,776 Jews, 658,891 Germans, 595,210 Irish, 237,870 Russians and 214,794 Italians. It contains more Jews than any other city in the world, and more than there are in the whole of Palestine. There are more Irish than in any of the four provinces of Ireland except Ulster.

As the principal port of entry of the country, New York receives most of the immigrants, and a good many never get away. Of the people there in 1903, according to the Twelfth Census, 1,270,080 were foreign born. As the city population in that year was 3,437,202, the foreign-born population constituted considerably more than one-third of the whole.

"LIVES OF GREAT MEN ALL REMINDE US"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

The tobacco crop is heavier than it has been for some years.

The Republicans of the Sixth District, in Convention yesterday at Covington, nominated for Congress Mayor William F. Schuman of Carrollton. His Democratic opponent is Hon. Joseph L. Rhinock, the present Congressman.

Colonel Woden O'Neal, one of Covington's most prominent citizens, a leading Republican politician of the state, and one of the shining lights of the Kenton County Bar, died Monday morning. During the War he was Colonel of the Fifty-fifth Kentucky Infantry, and, while one of the youngest Colonels on the Union side, made a fine record for bravery and gallantry on the field. He was United States Marshal for Kentucky under President Grant and served with honor and credit.

River News

The gage marks 3.4 and falling.

The Greenwood passed up last night for Pomeroy.

The Sallie Marmet passed up with a tow of empties for the Kanawha.

The Florence and Lucie Marmet passed down with tows of Kanawha coal.

Once more the work on the locks and dams of the upper district is under way, after having been stopped by high water. August out-did itself in the way of furnishing coalboat stages, and while the river operators flourished, the men in charge of completing the locks and dams were chagrined.

Tremendous rains on the headwaters of the Kentucky river, especially on Leatherwood creek, for the past few days, have given the local lumbermen their long-looked for tide. The big booms here have caught 10,000 saw logs. The mills, which have been idle for three months, will now be able to resume operations.

STOPS ANY ITCHING.

Doan's Ointment Cures Eczema and Itching Piles. Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use, because so little of it is required to bring relief and a cure. Here is Maysville testimony to prove it:

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. Jas. Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment, and was absolutely cured."
